

**Help our school raise funds with our
Recycling for Schools scheme!**

Dear Parent

We are working with Recycling for Schools to help raise funds through the recycling of inkjet cartridges and we would love you to get involved too. The service is completely free and very simple to use.

We have attached a list of the inkjet cartridges that we can recycle and have placed a copy on the notice board and website. The Recycling Factory will pay up to £3.50 for each inkjet cartridge successfully recycled.

If you have any of these cartridges at home or work please can you send them in so we can send them off. All money raised will go towards computing equipment for the school. As well as raising money, it will help to teach the children the importance of recycling.

A large bin will be placed in the entrance to the hall and would kindly ask that any cartridges are placed in a carry bag in case any toner tries to escape!

They also have a whole host of fun resources available for parents and pupils on the website:

www.recyclingforschools.co.uk

Many thanks for your support

Paul Gingell
Computing Lead
