14th May 2018

Dear Y5 Parents

Many apologies for the short notice, but we have the opportunity to visit Walmley Allotments as part of our plant and insect topic.

We will be carefully supervising children on a walk to the allotments on **Friday 18th May**, after morning break.

Please ensure your child has a school coat (not a blazer) and has either wellingtons or old trainers in a carrier bag (named) to change into as conditions can be muddy.

Please email michelle@shrubberyschool.co.uk asap to give permission that your child can attend and any medical conditions we need to be aware of.

We know the children will find this an interesting experience.

Yours sincerely

H M Atkins
Head Teacher
